

Kadoorie Youth Development Centre

Date : 06/05/2020

With many young people in rural areas of China facing poverty, disadvantage and social isolation, Paul Tchen, Honorary Chair of the Shanghai K Charitable Foundation, says the aim of the Kadoorie Youth Development Centre is simple: “to empower disadvantaged youth with the confidence and skills to enter the workforce. PolyVision equipped classrooms at the Kadoorie Youth Development Centre with CeramicSteel whiteboards, as well as installing a set in a shared space for students.
